## MOTHERS' HEARTS

Pray for each mother's heart to be softened with nurturing love for her unborn child so that she will desire a good future for them.

## SUPPORT FOR MOTHERS

Pray for the mothers to find resources and love from their communities so that each can be empowered to carry her baby to term.

## LAW-MAKERS' CONSCIENCES

Ask God to convict the hearts of man that they may see the seriousness of their decisions and choose to uphold life's value.

## YOUR ROLE

Ask God how He desires you to fight for women and their unborn children in this battle for life and compassionately show God's love to post-abortive parents.
